### INFFA Strategic Planning:

- The Indiana FFA Association is currently in the process of developing a strategic plan related to all programming for the next 5 years. In the spring of 2016, the association and its stakeholders generated a high level plan identifying some key goals to support a growing and diverse membership of students and advisors.
  - Find the Strategic Plan at:
    - [http://inffa.org/docs/sidemodules/73204\\_IN%20FFA%20Strategic%20Plan.pdf](http://inffa.org/docs/sidemodules/73204_IN%20FFA%20Strategic%20Plan.pdf).
- Throughout the course of this year, 12 committees are being formed to help create plans for **evaluation and improvement of all programs related to the Association**. These committees are being charged to reviewed certain types of programs and **develop an action plan to be completed within the next 5 years**. Each committee is composed of members, advisors, outside stakeholders, and an Indiana FFA state staff member.
- These committees will meet via conference calls/web conferencing and utilize an online platform to conduct their work. **Committees will meet in person at IAAE Winter Workshop on January 19**. Their plan of action will be completed by May of 2017. Hopefully between now and then, some tangible improvements, products, and/or evaluation is able to occur as well.

## Read to Feed:

- We are excited to share the news that we are **continuing the Indiana FFA Read to Feed Program this year through Heifer International.**
- **What is Heifer International?**
  - Heifer International is a **nonprofit organization that raises money to send livestock and livestock training to communities globally to fight the issues of hunger and poverty.** The communities who receive the livestock are also educated on the practices of caring for livestock in order to have long-term supply.
- **What is Read to Feed?**
  - This program works with Heifer International to encourage reading, while engaging elementary school students in actions that make a difference in the lives of others. **FFA members will take on the role of "Read to Feed Leader"** of their chapter and teach agriculture lessons to the 3rd and 4th grade classes in their school district. Part of these lessons will include the **3rd and 4th grade students** keeping track of the amount of minutes they read for a 7 week time period to fight illiteracy. In addition to teaching lessons, FFA members are also responsible for finding donations from sponsors for Heifer International. These donations can be from community members, businesses, organizations, families, etc. **Elanco Animal Health has agreed to match a total of \$20,000 raised by Indiana FFA.**
- **Our Vision:**
  - The Heifer International Read to Feed Program serves to **solve hunger and poverty in impoverished communities and fight illiteracy in local classrooms.** To encourage FFA members to set higher goals, this program also serves as competition between FFA chapters with a cash prize given at State Convention. **Cash awards, sponsored by Cargill,** will be given to the 1st, 2nd, and 3rd place FFA chapter who raises the most amount of money and has the most amount of minutes read per student.
- **How to Register:**
  - The **registration form** that is due to [nrvp@inffa.org](mailto:nrvp@inffa.org) or [tneighbors@isda.in.gov](mailto:tneighbors@isda.in.gov) by **January 16th** if your chapter is interested in completing the program can be found at the following link <http://inffa.org/page.aspx?ID=335>
- **More information** with specifics about the program will come soon. If you have any questions, please contact [nrvp@inffa.org](mailto:nrvp@inffa.org) or Tamara Neighbors at [tneighbors@isda.in.gov](mailto:tneighbors@isda.in.gov).

## Foundation Report:

- **Past State Officer Telethon**
  - The state officer team did a great job contacting Past State Officers and other individuals to pledge to the Indiana FFA Foundation during the 3rd annual PSO Telethon. **The team was able to receive over \$24,000 in pledges to the Indiana FFA Foundation!**
- **Pay It Forward Campaign**
  - At the 87th Indiana FFA State Convention the Indiana FFA Foundation launched a **two year Pay It Forward campaign** with the goal of raising enough money to secure the future of the center by **paying off the \$180,000 mortgage** on the Indiana FFA Leadership Center and adding **\$320,000 to the Give Hope Annuity** which is the fund created to help with future capital projects.
  - **Are Pay It Forward donations on top of regular foundation donations?**
    - **Yes, we still need to maintain our support of other programs of the Indiana FFA,** however a majority of the dollars donated from local FFA chapters will go into the Pay It Forward Campaign.
  - **How can people contribute?**
    - **Go to Indiana FFA's website at [www.inffa.org](http://www.inffa.org) and under support click on Give Today** and in the comments portion put Pay It Forward or **send a check** to Indiana FFA Foundation, P.O. Box 9, Trafalgar, IN 46181 and in the **memo put Pay It Forward.**
