FFA

INDIANA FFA FOUNDATION BOARD CHAIR

A Message from Matthew Likens

2020 has been quite the year for our country and it hasn't gone without making it quite the year for the Indiana FFA Foundation as well. I would like to begin by thanking everyone who has navigated the

challenges personally and professionally that have hit each of us and yet still continued to support the foundation. We have been blessed with individuals, local chapters, and organizations all continuing to give of time and financial resources above what we could have imagined. The Indiana FFA Foundation 2019-2020 Fiscal Year Fundraising was \$1,149,083.41 this year, which is up \$106,220.51. We received \$49,978.94 from chapter giving. We also have a Foundation Rainy Day Fund of \$310,919.84, as well as the Indiana FFA Leadership Center's Rainy Day Fund of \$73,539.48. With the increased giving this year, the foundation was able to continue to provide the important resources that are necessary to develop agriculture leaders.

All organizations have adapted to new platforms to stay engaged and connected in this ongoing pandemic and the FFA Foundation isn't any different. We will continue to be proactive in our programs and industry engagement as we navigate changes today and in the future. This is not all that different for us as we have continued to find new relationships and develop new programs in our changing membership in pursuit of delivering on our motto: **Learning to Do, Doing to Learn, Earning to Live, Living to Serve.**

I would once again like to extend my thanks to all who have given this year, and encourage your continued support for the most effective leadership development organization in Indiana!

Sincerely,
Matthew Likens

Foundation Board Chairperson

2019-2020 INDIANA FFA STATE PRESIDENT

A Message from Dillon Muhlenkamp

In today's ever-changing lifestyle of virtual events and advancement of technology, the 2019-2020 State Officer team prided ourselves on going back to some of the old traditions of Indiana FFA.

One main tradition we revisited was hosting the Foundations in Reaching Excellence (FIRE) Conference in the conference center (formerly known as the education building) at the FFA Leadership Center. This idea was brought up when we were reminiscing old times with association director Rob Hays. He explained that his State Officer team hosted their conferences in that area of the facility. This gave students a change of scenery from the sessions to their meals and other events. When we finally decided to run with the idea, we suddenly realized there was a lot of work to do. We had to build new backdrops to fit the lower ceilings, gather all of the chairs on the center grounds to have enough for the dining room and the conference center, and set up two different sound systems. After all of this, the conference went off without a hitch. We loved this "different" conference and all of the great memories the team gained from it.

Now as we moved forward in the year we were looking forward to having that traditional State Convention in Elliott Hall of Music at Purdue University. However, *different* was going to be used in an aspect that we were not initially prepared for.

Different in most of our minds, for some reason, carries a negative connotation. When our team heard that our State Convention was going to be different, we immediately went to those negative connotations.

- No talking to members on our walk from Stewart to Elliott.
- No last minute hugs from family members before we went on stage.
- No members and supporters filling the seats of Elliott.

But what we did not think of was the positive connotation with the word different.

- Retiring addresses all pre-recorded and filmed in special spots across the state.
- Deep conversations and pep talks from State Staff.
- The ability to deliver the message of FFA to every single Indiana FFA member.

Because so many of our beloved traditional events have been canceled this past year, let's focus on how these events have become different and how we are impacting a much larger group of people with virtual events. I challenge you to find what is different around you and how that is a positive change.

Be Different,
Dillon Muhlenkamp
2019-2020 State President

FOUNDATION OUTSTANDING SERVICE AWARD

Doug Goff

The 2020 Indiana FFA Outstanding Service Award recipient is an individual who has truly left an everlasting impact, Mr. Doug Goff. His roots in agriculture started while he was raised on a beef ranch in Missouri, and served his local FFA chapter as President. He dedicates his personal growth and career success to his time in FFA, and has worked to then dedicate his efforts to return the impact for the Indiana FFA Association.

Mr. Goff has played a crucial role in developing the sponsorship of Helena Agri-Enterprises LLC for the past decade from his passion for agriculture and National FFA. In his role as North Central Division Manager for Helena Agri-Enterprises, they have been a gracious donor to support member opportunities by sponsoring Seeking Opportunities Achieving Results Conference, as well as the Awards Luncheon and Foundation Session for State Convention.

Mr. Goff's generosity and thoughtfulness has not only provided opportunities for Indiana FFA members, but also rejuvenated the Indiana FFA Leadership Center. When once complimented on the photo canvases in his Helena Office during a State Officer Business and Industry visit, he graciously surprised the Foundation by providing a large display of photo canvases that represent the Leadership Center's true beauty. Mr. Goff retired from Helena Agri-Enterprises in December 2019 and has started his own consulting firm for agricultural business leadership to continue his impact in the industry.

It is because of his exemplification of "Living to Serve" for Indiana FFA and belief in the values and future of Agriculture that we are honored to present Mr. Doug Goff the Outstanding Service Award.

INDIANA FFA LEADERSHIP CENTER

The Indiana FFA Leadership Center supports the development of young people and adults through leadership workshops, retreats, youth camps, and career development events. We have leadership building through our low ropes course. This course is professionally led by the facilitation team that consist of highly trained teachers, FFA Alumni and leaders in the local community. This program can be held on-site or portably at an alternate location. This unique process allows persons of all ages and abilities to participate and benefit. It proves an asset to any group. Whether you are planning a beautiful outdoor event, a family reunion, corporate or FFA retreat, the Leadership Center is the natural place to meet.

PARTNER SPOTLIGHT

Arby's Foundation

With the fall of 2019 came a new sponsorship to the Indiana FFA Foundation. Heartland Beef Incorporated, an Arby's franchisee, chose to nominate the Indiana FFA Foundation for an Arby's Foundation grant. Indiana FFA was selected to receive \$63,100.00! This grant was then distributed to 55+ individual chapters impacting over 2000 members. This grant could be used for anything that would directly impact local FFA members. Some of the chapters used this grant money for conference registration, bus fees, state convention registration, leadership and career development event fees and jackets, just to name a few.

We asked a few recipients "What was the effect of Arby's Foundation Grant for your chapter/ students?" Here are their responses:

"Because of the Arby's Foundation Grant, our FFA Chapter was easily able to purchase FFA jackets for students who could not afford to buy one on their own, without question. It is so nice to have that option for students who want to be involved but are worried about cost. We also were able to cover the cost of district, state, and national dues with this grant. We want our students to be as involved as they can be without having to question whether or not they have enough money to participate. Thank you Arby's for offering unlimited opportunities for our members!"

-Brittany Need, Northwestern High School FFA Advisor

"Funds received from the Arby's Foundation Grant came just at the right time for the Sullivan FFA Chapter. Our ability to fundraise during the spring of 2020 was greatly limited due to the pandemic, and these funds allowed our students the ability to participate in the virtual Indiana FFA Convention. Furthermore, these funds were used to purchase awards for our students that were given during our postponed annual awards banquet. Our 180+ members are extremely active in our community and in competitions, and giving them the recognition they deserve was priceless."

-Kevin Cross, Sullivan High School FFA Advisor

The Arby's Foundation and Heartland Beef, Inc. have made a great impact on local members during a very challenging time as many chapters were unable to fundraise due to Covid19. Thank you Arby's Foundation, for offering these dollars to support our local FFA programs.

CREED SPEAKING

The National FFA Creed Speaking Leadership Development Event (LDE) recognizes outstanding FFA members in seventh through ninth grades for their ability to present the National FFA Creed from memory and answer three questions related to it.

Indiana FFA License Plate Scholarships

This plate is available online through Bureau of Motor Vehicles, at license branches, and at other customer service locations. The cost of the FFA license plate includes vehicle registration fees and taxes, a group fee of \$25, and an administrative fee of \$15. You may display this plate on passenger cars, trucks up to 11,000 pounds, motorcycles, and recreational vehicles.

Purchasing an Indiana FFA License Plate is an excellent way to support Indiana FFA students. Dollars generated from this activity goes to the License Plate Scholarship Fund. These scholarships are given out annually during the Indiana FFA State Convention.

2019-2020 EVENTS

6th Annual PSO Telethon

The sixth annual FFA Foundation Telethon was held in December. The current State Officers called approximately 260 Past State Officers in a 3 hour span of time. Each officer called their own offices (State President called all past Presidents, etc.) as a way to motivate the officers to raise dollars to support the Indiana FFA. The officers' competitive nature came through as they were able to raise almost \$21,000 in one evening with the Secretaries leading the way.

District Kick-Off Meetings & Fall Chapter Visits

Each fall Indiana FFA staff and state officers travel all 12 districts with the officers doing chapter visits during the day and facilitating a District Kickoff at night. Approximately 2100 students attend the kickoffs in addition close to 70 chapters are visited. Ivy Tech Community College proudly sponsors the Kickoff events.

Farm Progress & Ft. Wayne Farm Shows Benefit Auctions

The Farm Progress Show was held in the end of August in Decatur, IL. Indiana FFA Foundation shared a tent with Illinois FFA to promote FFA and agricultural education. Every other year the two foundations have the opportunity to have a live auction sponsored by Titan Tire and the Farm Progress Show. With the tires Titan donates, the Farm Progress Show Titan Tire auction generated over \$19,810 to be split between the Indiana and Illinois FFA. In addition, FMC allowed Indiana FFA and Illinois FFA to sell FMC t-shirts with \$1500 to go towards each of the State Officer Funds raising a total of \$3000.

Ft. Wayne Farm Show Benefit Auction held every January sponsored by Indiana AgriNews and Tradexpos, Inc. the Indiana FFA was able to generate \$21,750. Area businesses and trade show exhibitors donated items such as seed, feed, chemicals, equipment and much more to be auctioned off with the help of Schrader Real Estate and Auction Service with all benefits going to Indiana FFA Foundation. This Farm Show is well attended by farmers and agribusiness leaders from Northern Indiana, Southern Michigan and Northwestern Ohio. We appreciate the support of our many partners at these very successful events.

2019-2020 EVENTS

Indiana FFA Country Market

Our 20th annual fundraising event was held in the Indiana FFA Pavilion at the Indiana State Fair. Over 50 vendors with Indiana based agricultural products were available for all fair attendees to purchase in the market. This is a great place for individuals and companies to test market their line of products, whether it be hand-made items or companies with delicious fudge and cookies, the Country Market is a place to launch new products. This is a member driven activity where students learn to market products, work with the public and manage volunteer schedules. FFA members receive sales training by Jennifer Maruszewski and her summer intern from FMC, members would also receive a Certificate of Completion in Sales Training. Additionally the dollars generated at the Country Market go towards scholarships and support for Indiana FFA leadership programs. This is a great stop while you are visiting the Indiana State Fair! Learn about Indiana agriculture, get a great snack and purchase some FFA merchandise all in one stop! The 2019 market gross sales were just over \$114,656.

NYFEA

The National Young Farmers Educational Association Convention was held in Lancaster, PA. Our 2019-2020 Indiana FFA State Treasurer, Noah Berning, was able to attend. He toured several different agricultural businesses in the area, alongside some non-ag businesses. These included: New Holland, Hershey's, a local dairy farm that produces for their own store, and more. This is an annual event that travels across the country relative to the state who hosts it that year. Prior to COVID-19 Indiana Young Farmers was scheduled to host it this December 2020 in Ft. Wayne, Indiana; that is now being moved to December 2021. While Noah was there he won the National Ag Spokesperson Award (Speech Contest). By winning this contest he also received an all-expenses-paid trip to Washington DC for the NYFEA Ag's Promise Forum in March, 2020. Where he facilitated a brief workshop on how to speak to legislators.

2019-2020 EVENTS

#Ag2Asphalt Returns to the Indiana FFA Leadership Center

September at the Indiana FFA Leadership Center had the aroma of newly laid asphalt pavement near the Fellowship Center and the walkways near the cabins, bridge and the drive from the multipurpose building. Asphalt Pavement Association of Indiana membership was around every corner teaching our young people about their industry that has so many ties to agriculture in ways unimaginable, additionally giving them a great career option to think about as they prepare for their future. APAI and 100 volunteers from their membership and over 100 agriculture education students and teachers enjoyed the day at the FFA Center to learn about the asphalt's industry and the great need of young professionals to enter their field of business as employees.

Representatives from universities where APAI have scholarship programs were available to meet with students to promote civil engineering, construction engineering management, and construction management technology programs, etc. in Indiana. This is the second time FFA hosted the career day, #Ag2Asphalt, and it was available to Indiana FFA members and agriculture education students statewide. The volunteer members from APAI presented on career panels, and answering student questions about career paths available with member firms. Students enjoyed simulators, panel discussion and demonstrations. The paving work was performed by a member firm of APAI and funds were raised from APAI members to cover the expenses.

Teacher Training

Indiana Corn Marketing Council sponsored 25 agriculture teachers, of all ages, to participate in the Indiana Agriculture Educator Training at Fair Oaks in northern Indiana. Our teachers were given the opportunity to gather the evening before to socialize and talk with peers about their classroom activities. The following day they experienced the Pig, Dairy and Crop Adventures, as well as listened to one of the owners of Fair Oaks, Sue McCloskey, she shared with teachers the challenges and joys of owning and operating Fair Oaks as well as the many life lessons that come from working with the public. Our teachers were able to take what they learned at Fair Oaks and apply it to their classroom experiences.

Page Day

INDIANAPOLIS (Feb. 25, 2020)

ISDA News Release by Regan Holtsclaw –

The Indiana FFA Association invited 81 members to be pages for the General Assembly in celebration of National FFA Week. This opportunity allowed students to meet with elected officials and see firsthand how the legislative process operates.

“It was wonderful to see so many blue jackets in the statehouse today,” said Lt. Governor Suzanne Crouch, Secretary of Agriculture and Rural Development. “These students were directly involved in the action of the day, were able to speak to the General Assembly and received a better understanding of the legislative branch of our government.”

While paging, FFA members spoke with their representatives and senators, assisted aides and interns and attended session. Additionally, they received a tour of the historic Indiana Statehouse and a tour of Governor Holcomb’s office.

“The FFA Organization provides a multitude of ways for students to be involved in what they are passionate about and today’s event at the Statehouse is a perfect example,” said Sam Miller, Assistant Director of the Indiana FFA Association. “Each year we look forward to this event to help show our members how the legislative process works and encourage them to exercise their right to vote when the time comes.”

The Indiana FFA Association organizes an opportunity for FFA members to page at the Statehouse each year to highlight National FFA Week and the organization. National FFA Week runs until February 29, 2020, and is the perfect opportunity for students to get out into their schools and communities and promote the FFA Organization and the role this student based organization plays in the lives of the members.

Page Day was sponsored by Indiana Electric Cooperatives.

BUSINESS AND INDUSTRY PARTNER VISITS

Sponsored by Farm Credit Mid-America

The Indiana FFA state officers visited many of our partners by touring businesses and industry leaders to say thank you for supporting Indiana FFA. The Indiana FFA state officers annually travel the state to spread goodwill to those who generously give to the Indiana FFA while seeing the many opportunities the agriculture industry has to offer them as young leaders. With Lisa Chaudion, Indiana FFA Foundation executive director, the officers toured the facilities and offices of over 20 different organizations in many areas of the agricultural field as well as businesses that support our industry. They have had the opportunity to see many aspects of agribusiness from crop genetics and production to plant and animal health and from agriculture mechanics to transportation and logistics of commodities.

CONTINUE THE LEGACY...

These are just some of the ways you can contribute to insure a bright future for the Indiana FFA:

- Give as an Individual or Corporate Partner.
- Participate in your Corporate Employee Matching program.
- Make a monthly pledge and have the payment automatically charged to your credit card account. Please go to www.infffa.org and click on *Give Today* to set up your gift.
- Consider a planned gift. One of the simplest ways to provide an enduring gift of support to the Indiana FFA is through your Will or Revocable Living Trust. By including the Indiana FFA in your estate plans, you can specify that some or all of your assets benefit the Indiana FFA after your lifetime.
- Honorariums or Memorials through www.inffa.org and click on *Give Today* or mail a check.
- Buy an Indiana FFA License Plate featuring the FFA Emblem.
- Purchases at the Indiana FFA State Fair Country Market supports our leadership and scholarship programs.
- Donate or purchase auction Items during the Farm Progress Show or Fort Wayne Farm Show.
- Volunteer needed professional services as an alternate way to give.
- Donate items needed at the Indiana FFA Leadership Center.
- If participating in the United Way Campaign, you may ask for the dollars to be directed to the Indiana FFA Foundation.
- When ordering from Amazon, do it through AmazonSmile.com and designate Indiana FFA Foundation as your charitable organization of choice. This is Amazon's giving program. Your items will not cost you more, but a percent is given back to FFA.
- Kroger/Pay Less Card: go online to register at krogercommunityrewards.com, click on enroll and type in the number *YP454* and Indiana FFA will receive donations every quarter.
- Volunteer for various Indiana FFA activities.
- Join Indiana FFA Alumni and support our local programs.
