Indiana FFA District Advisor Letter of Commitment and Agreement

THIS INDIANA FFA DISTRICT ADVISOR LETTER OF COMMITMENT AND AGREEMENT ("Agreement") is entered into by and between the undersigned individual (identified in the first person as "I," "me," "my," etc.) and the Indiana FFA Organization, each a "party," and collectively, "the parties," and shall be deemed effective and binding on the date I sign it.

Introduction

As an Indiana FFA District Advisor, I understand that I will voluntarily accept a commitment to volunteer service that is unique to most organizations. In addition to serving and representing the more than 14,000 Indiana FFA members, I understand that, as an Indiana FFA District Advisor, I will represent the image and direction of the Indiana FFA Organization and National FFA Organization to students, state staff, teacher educators, agriculture industry professionals, government leaders, the media and the general public.

Agreement

In consideration of Indiana FFA Organization's agreement to consider me as an Indiana FFA District Advisor, I agree to the recitals set forth above and the terms and conditions in this Agreement, as follows:

- A. Personal Commitments of all members. During the period in which I am an Indiana FFA Executive Committee member and during my service in that capacity, I agree to:
1. Be in good standing with my school.
 2. Be dedicated and committed to FFA and the total program of education in agriculture/agribusiness.
 3. Forego the possession or use of all alcohol, tobacco, and illegal substances at all events.
 4. Hold myself to and adhere to the highest standards of integrity and honesty.
 5. Avoid places, activities, or conversations that in any way could raise questions as to my moral character or conduct.
 6. Refrain from conduct that could harm the FFA or those associated with it.
 7. Refrain from conduct that may be detrimental or embarrassing to my personal reputation or the reputation of the FFA.
 8. Maintain proper dress and good grooming for all occasions.
 9. Treat all FFA members equally by not favoring one over another.
 10. Be actively and enthusiastically supportive of Indiana FFA policies and programs including, but not limited to, its diversity and inclusion initiatives.
- B. Logistical Commitments of all members.
1. Attend and assist with planning for District Officer meetings.
 2. Attend Premier Leadership Training (PLT).
 3. Attend and assist with District LDEs.
 4. Attend the State FFA Convention to assist with District Officer elections.

C. Position Specific Commitments

1. District Advisors

- i. Organize and attend district assigned State Fair Workdays and Experience Days and have plenty of people to assist.
- ii. Plan and organize District Kickoff! Most of the planning occurs at PLT so attendance at PLT is critical to Kickoff success.
- iii. In December, January, and February begin brainstorming and contacting judges and schools about District LDEs. This is the most important part of being District Advisor, so make sure this event runs smoothly!
- iv. If my district has District Officer applications, I will send them out in ample time for students to apply and consider running for an office.

I agree that if the Indiana FFA Organization determines that I did not adhere to any of the above- described commitments the Indiana FFA Organization shall have the right to take such corrective action as it determines appropriate including, but not limited to, placing limitations on me in my role as an Indiana FFA District Advisor or terminating my service in that capacity.
