

## Kaitlyn Maruszewski

*2025-2026 Indiana FFA State President*

Future Plans: I plan to study Horticulture at Purdue University with a concentration in plant science, preparing for a future career in research.

## Lauren Argotte

*2025-2026 Indiana FFA State Secretary*

Future Plans: I plan to attend Purdue University and pursue a double major in Agricultural Communications and Agricultural Economics. After college, my goal is to bridge the gap between consumers and producers by sharing clear, accurate, and engaging agricultural stories through written and digital media.

## Erianna Vela

*2025-2026 Indiana FFA State Northern Region Vice President*

Future Plans: After my year of service, I will attend Purdue University to major in Agricultural Education, and I plan to return to Indiana to teach ag.

## Calvin Myers

*2025-2026 Indiana FFA State Southern Region Vice President*

Future Plans: I plan to study Agribusiness Management at Purdue University and build the skills to return home as both a producer and entrepreneur. I want to grow my family's operation while also pursuing an off-farm agricultural career that keeps me connected, learning, and making an impact.

## Lily Sloan

*2025-2026 Indiana FFA State Treasurer*

Future Plans: I will attend Black Hawk College East for Agricultural Production, then head West to work on a feedlot or ranch. My long-term goal is to own and operate my own cattle ranch out West.

## Jenna Lawler

*2025-2026 Indiana FFA State Reporter*

Future Plans: I plan to study Sustainable Food Systems at Purdue University and pursue a career connecting researchers, producers, consumers, and policymakers to develop fair, effective regulations that promote both sustainability and producer profitability.

## Jesus Santana

*2025-2026 Indiana FFA State Sentinel*

Future Plans: I plan to attend Northeastern Oklahoma A&M (NEO) for Horse Judging and complete my associate degree in Agriculture. Then, I will transfer to the University of Wisconsin-River Falls to earn my degree in Agricultural Education before returning to Indiana to teach agriculture.
